Written Prophecy for Trinity Fellowship, Amarillo

New season for the next few years.

Going through process of transition with new paradigm about God, church and kingdom.

Like Abraham in Hebrews 11:8, "By faith Abraham, when he was called, obeyed by going out to a place that he was to receive for an inheritance. And he went out not knowing where he was going."

HE WALKED OFF HIS MAP!!

Moving out of building the church paradigm to establishing the kingdom. Coming into a season where the kingdom will overtake the church. Where requirements of the Head will be greater than the requirements of the Body.

Water level is rising and with it your perception of God. As you discover Him in a fresh way, faith will increase and power will flow. Your perception and practice of church will change. You will fully engage with the kingdom of Heaven.

First commandment will take precedence over Great Commission. God is seeking people to worship Him. Worship is taken prisoner in the house of the Lord. When Jesus is lifted up in our relationships, He will draw people.

Intimacy releases confidence, boldness and power. Signs and wonders come to a people whose heart is fully after God.

You require influence with me, says the Lord. You must rekindle the flame of passion. In times past you have not needed me in order to succeed. But now you cannot breakthrough without my favor.

You are moving from teaching to equipping, from pastoral leadership to fathers who facilitate. The apostolic call upon this community at Trinity has already been received.

I am calling you to a greater height than you can imagine.
I am calling you to a place of faith, risk and reward.
I wish my people to encounter my presence.

You must decide in the days to come:

Radical Renewal or Business as Usual??

I have a larger place for you to occupy in the Spirit over regions and nations. For that to happen I must squeeze you through a narrow place of preparation, development and testing so that I may enlarge you on the inside.

People will leave but you shall not be diminished. Others will come from far and near.

You shall become a new prototype spiritual community - the first in a series of world beating churches that will break new ground.

In this move, I will remove your self-reliance and bring you to the place of surrender where you will only say what I say and do what I do.

This is your season of preparation to get ready for a time of reformation.
